Custom Capabilities

Select from our full Marlite Finish Palette at www.marlite.com or create your own finish. Simply submit a laminate chip or swatch of the print pattern/color desired, and we'll send a lab sample match within a few days. (Minimum order requirements and other terms apply.)

The Marlite Finish is a richly detailed and easy to maintain surface that is more economical than decorative laminates. The base coat, precision coats, print coats and melamine top coat are all applied to the highest quality MDF substrate. Each panel is baked for a durable finish.
